

So you are in the clients home and... you need **HELP!!**

How would you like to always get some help... no matter what coast you are on... no matter if your cell phone doesn't work in a clients home... no matter what your managers schedule is?

**Here it is...**

## **THE HOTLINE**

**\*ONLY TO BE USED WHEN WITH A CLIENT\***

This is only for situations when an answer of a product, rider, etc is needed immediately.

This number will ring to Michael Owens... if he is not available you will receive another manager (that Mr. Owens has approved of) to help you.

Did we mention the number was toll-free?

Put this number in your cell phone now... put in in your computer now... put it in your car now.
